“We both had a fabulous day, and hugely appreciated the brilliant food and service-as did our guests. Indeed- we overheard one saying that their vegetarian wife must taste the lamb because if she was to ever have meat then this is what it should taste like!

P.S. do let us know if you open a restaurant/start doing takeaways. In fact, one of my biggest regrets on the day is not taking a wad of doggy bags to scoop up all the leftovers!”

“Food was incredible and every single guest has made a comment about how nice the food was and how generous the portions were! Staff were accommodating, kind and helpful throughout the process and the day. Sally was incredible and checked in with us across the day. It was just all so so good we couldn’t be happier.”

–SOPHIE & DAN,

"We entrusted Kates Kitchen for our wedding at Barley Wood and they did an absolutely amazing job. Not only did they exceed our expectations on the food, and we had so so many positive words from our guests, they also helped us plan the day and make it run smoothly throughout. Special mention to Sally who made everything work seamlessly throughout. It really helped us to enjoy the day even more. Thanks so much Sally."

-BEN & SARAH,
BARLEY WOOD

"The presentation and the staff were absolutely second to none. It was a beautiful spread, and everyone was really excited to dig in! The food itself was cooked, prepared and seasoned to perfection...Everyone there helped to keep things moving along, and nothing was too much trouble. At no point was I worried about guests not being seen to, they made the whole evening so easy. ...Thanks to all of you for your help in making our wedding day as perfect as it was. We had nothing but excellent feedback from our guests on the evening about your catering, and I'd have no hesitation in recommending you to any of my friends organising an event in or around Bristol."
